

LE MONDE REFOSCO DAL PEDUNCOLO ROSSO INACO RISERVA FRIULI GRAVE 2015

There's a forest floor of undergrowth and damp moss to the nose, set against a backdrop of vivid blackberries and blackcurrants. Full-bodied and chewy with excellent depth and a pretty, salty character. The unwonted, lightly green character might be too much for some, though it imparts a quirky feel. Drink from 2021.
